**AN APPEAL TO ALL SIT ALUMINI, WELL-WISHERS of SIT and Philanthropists**

Dear Sir/Madam

You are all aware that the Seshasaayee Institute of Technology in Ariyamanglam was established by (Late) Sri.V.Seshasayee, a great visionary industrialist, in 1952. It is the First Polytechnic level Institute set up in the post Independence era in Tamilnadu. His was a rare role model with not many parallel. So far the Institute has produced over 12,000 diploma holders in various branches of Engineering and Technology, who occupy very senior positions in Maharatna PSUs like BHEL Trichy, Government Organizations like Indian Railways, Leading Private Sectors like L&T, State Government organizations like TNEB, PWD and several , large, medium and small scale Industries and Government at State and Centre. The Institute celebrated the DIAMOND Jubilee in 2012.

By the inspiration of our former Principal, (Late) Sri.G.Sundaram, SIT Alumni Association (SITAA) was formed in 2002. Members of Alumni association have been contributing their might for the growth and sustenance of this great institution. Recently in December 2013, this association was registered with registrar of societies. There is an Executive Committee of the Association to guide its activities.

As a mark of our expression of Gratitude to the Almamatar, and as part of commemorating the Diamond Jubilee of SIT, our President proposed to construct an Alumni Block for use of SIT. This is proposed to be executed with the active support of management of SIT. A location has been identified in the campus of SIT. Action is afoot for getting conceptual designs from an architect to be followed with structural designs and approval from planning authority etc.

Our President has contributed Rs. ONE LAKH for this purpose. A separate account has been opened as per details below for collection and utilizing funds exclusively for this project. We want to complete the project by August 2015 to enable dedicating this block on The Founder's day in August 2015.

We appeal to all the contributors to send in their valuable contributions by way of Crossed cheques, Demand Drafts, Banker's cheques drawn in favour of "Seshasaayee Educational Society" payable at TRICHY. We would like to add that these contributions are eligible for Income **Tax Exemption under Section 80 G** for which receipts will be issued. The covering letter forwarding the cheque/DD may kindly indicate for **"SITAA BUILDING FUND"**. Please provide your PAN and clear postal address with PIN for sending acknowledgement along with formal receipt .
