From the President's Desk

Dear SITians,

Wish one and all of SIT Family to be "**Very Happy and with Cheer**".

Exactly five years ago we started releasing the SITAAVOICE with pride from SITAA and today we released the first issue of sixth year consecutively . During this quarter, we successfully completed the examinations and the results have been declared. It was heartening to note that 162 students got placed in various organizations. Our placement department striving hard to bring more companies to our campus which will yield positive results in near future.

SITAA arranged GSANCMEF Scholarships to 13 students (both second and third year), the details of which will be given in subsequent pages.

More numbers of our Alumni are coming forward to enhance the Infrastructural facilities in SIT and SIT HOSTEL.

I appeal to all our Alumni to come forward in doing one work or the other in our SIT Campus. I hope to have proper response from our Alumni, in this regard.

Wishing you and all your family members, all the best,

P.A.BALASUBRAMANIAN,
PRESIDENT SITAA

Dear SITians,

I am glad to present this issue of SITAA VOICE of this quarter of 2019-20 upon reopening of the institution after examinations, summer vacation, declaration of results and admissions of the first year & second year students of lateral entry.

I express my sincere thanks to Sri.P.A.Balasubramanian, for his valuable guidance, Dr.K.Vijaykumar, Principal I/C, SIT for his team's support, all EC Members and Alumni for their support in bringing out SITAA VOICE. To know the various activities of SIT and SITAA, Please read on....

Hon. Secretary, SIT & Vice President, SITAA & (Editor)

Towards enhancement of the SIT campus :

1. Compound wall construction: As there was no proper compound for so many years, the height of the compound wall in front of administrative building has been raised for four feet height and 560 feet length as the national highways level was raised substantially.

Further since long there was no firm compound in front of Play ground and Hostel. For a total length of 324 feet with a height of 8 feet brick masonry wall was constructed to secure the boundary of the institution. In continuation to this, compound wall was finished in front of the SIT hostel with an additional height of 4 feet for a length of 320 feet was also constructed with brick masonry wall.

The total expenses for this project were Rs. 21.12 lakhs, spent from SES funds with Management approval.

2. Students corner: Established a Student's corner & reprography center near Canteen to facilitate students to buy stationary items and take photocopies. This facility will avoid the movement of the students across the NH which is subjected to heavy traffic.

3. Platform of size 60' x 40' lay with paver blocks, near Mechanical lab marked for students dining & rest area. Subsequently this place will be constructed with a light roof shed.

4. Work in progress to extend the service area of the Bank of India situated in our Campus.

Great support from Ford Motors under CSR

Ford Motors, Chennai / Coimbatore Division donated 100 Computers last year to SIT. Further they donated 125 CPUs with the configuration DELL make Desktop computers with Intel i5 Processor, 4 GB RAM and 320 GB HDD. These computers were supplied in two installments of 50 computers in the month of April and 75 computers during June. SIT conveyed its gratitude to Ford Motors for its generous support extended to SIT.

SIT thanked Sri. Chari, GC Member for his support and Sri.Srikanth, Vice President, Ford Motors for his unlimited support to SIT.
