Dated: 30th June, 2023

From the President's Desk:

Dear SITians, I wish one and all of SIT Family best of health, happiness and cheer.

I would like to share the progress of the construction work of our open air Auditorium. The structure is completed in all respects and gives a majestic appearance. The flooring of the major portion of the area opposite the stage has been provided with paver blocks. The roofing over the entire area is also finished and the building presents a grand view.

The civil work like providing base concrete, pedestal to receive the GIANT COLUMNS to support the Roofing system, interconnection of all columns by providing beams at plinth level, were all completed in a very short record time by our Alumnus Sri. M. Shenbagaraj of 1982 Civil batch. We owe our thanks to him. He also generously contributed Rs 5 lakhs for the Auditorium project.

Similarly M/s. S.R.S Colour Roofing Sheet & Fabrication Job Work of Salem who had been awarded the work of providing the ROOFING SYSTEM consisting of Fabrication and erection of columns, connecting members and finally covering the entire area of Roof with GI sheet, have done an excellent job, completing the entire work in a record time of 15 days. We owe our thanks to them also.

The estimated total cost of providing Roofing was partly met with contribution from our Alumni, allocation of funds from SITAA and from the management of SIT, i.e. Seshasayee Educational Society (SES). But still there is a gap of funds spent and funds received. The WORKS that are to be done to make the entire Auditorium fully functional include replacement of paver block flooring with proper flooring, construction of side walls, providing Doors and windows, Providing Electrical items and other finishing works. All these works may cost around Rs 40 Lakhs. I once again appeal to our Alumni to generously contribute so that all the related works can be completed and the fully finished Auditorium can be handed over to the management of SIT, on 14-8-2023 that is the FOUNDER'S DAY of our Institution.

Since the balance of works in Auditorium construction is to be completed in a very short time, I request our Alumni to send their contributions at the earliest. I feel happy to note the numerous positive responses against my previous appeals, from several alumni and I wish to thank each one of our alumnus.

The details of the events & other activities during this quarter are presented in the subsequent pages of this issue.

The Academic work for this year has started, as per the directives of the Government of Tamilnadu and Directorate of Technical Education, Chennai. It goes on well, with due care taken by Sri. G.M. Rajendran, Hon. Secretary, (SES), Dr.K.Vijayakumar, Principal-I/C, Dr.V.G.Ravindhren, Vice Principal and their team. I appeal to all students of SIT to utilize the best facilities available in our Institution and to shape themselves as promising professionals and leaders in their chosen fields.

Wishing you all the best,

P.A.Balasubramanian

President SITAA, Former Faculty Member & Alumnus, 1963

My dear SITians,

Greetings to you and your family.

This is 37th issue of SITAAVOICE (first issue was on 30-06-2014). SIT is witnessing several milestones towards the enhancement. We could achieve all these enhancements only with your support. The initiatives of Sri.PAB, our teacher, President, SITAA. Several alumni continuously supporting our institution and SITAA made us to witness these enhancements.

An Appeal

Dear Alumni,

Greetings to you all. You are witnessing several enhancement projects in SIT since last 10 years. Alumni who regularly visit SIT since long, members of SITAA are supporting SIT & SITAA to enhance SIT's operations and the student community in several fronts i.e. good library, laboratories, hostel, environment enhancement, extending support financially to the deserving students for their tuition fees, hostel fees, examination fees and sometimes medical expenses. They continue to contribute their best to the institution in some way, like donating to Corpus fund, arranging materials, contractors for construction of laboratories, other infra structure and or donating to GSANC Memorial Education fund to award the scholarships to the deserving students.

The contribution to Seshasayee Educational Society, (the managing body of SIT) is exempted from IT under 80-G. We kindly request you to donate to any of these funds which will enhance our operations. Your support will strengthen SIT towards fulfillment of the social needs by giving the best technical students. The bank details are as below:
