### Faculty development Programme

A Faculty Development Programme on “NEW AGE TRENDS IN EDUCATION FOR ENGINEERING STUDENTS IN INTERNATIONAL ARENA” was organized on 24.01.2017. Mr. Antony DSOUZA, M.S., FRINA, FIE(Aust.),PMP, Vice-President & Regional Offshore Manager, DNV GL North America, the resource person, an alumnus batch of S.I.T. 1983 batch Mechanical Engineering delivered the address. During his address he emphasized the faculties to make the students to aware of the climate change, global warming and environmental degradation and to know the remedial measures to prevent them. He expressed that it is the responsibility of teachers to mould the students to compete in international level for their career growth. He also told that students not only be trained in their subject areas but also they are to be taught about moral, ethics and attitudes. He exhorted for activity based learning which will fetch different skills for students.

Mr. S.Sangappillai welcomed the gathering. Mr. N.Raju., Vice principal proposed vote of Thanks.

### **International Women's day on 08-03-2017**

S.I.T. celebrated **International Women's Day** on 08.03.2017 at its premises. Dr.S.Sudharssanam Honorary Secretary of the Institution presided over the function. During his presidential address, he emphasized the Girl students to be courageous to face the today's scenario of the World.

Dr. Prema Nanda Kumar, a well Known Scholar, Critic and Writer was the Chief Guest of the function and delivered the Women's day Address. She gave an overview on the purpose of women's day celebration and its outcome. She advised the students to have a strong spirit so that they can achieve their desires at any age. She told the audience that they should be of independent even after marriage and they should show their unique identity to the Society. She emphasized the students to take **"Savithri" in Mahabharatam** as their role model for her bravery and not to shed tears at any cause in their life time. She made a note of Bharathiyar poem that boldness of life is essential.

Mr.S.Sangappillai, Principal welcomed the gathering and Mr.N.Raju, Vice Principal proposed vote of Thanks. Mrs.V.Vijayalakshmi H.O.D. / I.C.E. presented a report on the achievements of the Girls students for this academic Year 2016 -2017. Mrs.S.Vijayakumari, Women in Development Manager and her team arranged the function in a grand manner.

### COMPUTER SOCIETY OF INDIA DAY CELEBRATIONS

S.I.T. celebrated the CSI day on 6<sup>th</sup>, March 2017. SIT launched a student chapter of computer society of India during the academic year 2016-17 and is the first polytechnic in Tamilnadu to have a CSI student chapter. Mr.Baskaran Selvaraj, Managing Director, New Dream Data Systems, Tiruchirappalli was the Chief Guest of the function. In his speech he motivated students to take active part in forums like CSI to build their skills through extracurricular activities. He insisted on the importance of internships in companies to improve the scope of getting placements.

Dr.S.Sudharssanam, Hon. Secretary, in his presidential address called upon the students to keep their mind open to get to be filled with more knowledge and to widen the horizon of learning. He recalled the history of the origin of CSI from the humble beginning, to its today's stature of being the largest and most professionally managed association of IT professionals in India.

Mr.S.Sangappillai Principal and Mr.N.Raju Vice Principal felicitated the gathering. Mr.N.Raju in his speech encouraged the students to make the best use of the forum to hone their team building skills. Mr.R.Srinivasan, Lecturer of Computer Engineering Department presented a report on the Department of activities for the current academic year 2016 - 2017.

Earlier the faculty of the department conducted inter-departmental competitions "Talent show 2017" and various events were conducted to unearth the potential of the students. Mr.Baskaran Selvaraj distributed certificates to the prize winners.

Mr.VG.Ravindhren, HOD i/c Computer Engineering Department welcomed the gathering and Mr.T.Muthamilselvam, Lecturer of Computer Engineering Department proposed vote of thanks.

## **Faculty Development Programme – Lecture on Self Development & Motivation**

Under the Aegis of Canada India Institutional Co – operation Project Scheme of Seshasayee Institute of Technology, a Faculty Development Programme on **“Self Development and Motivation”** was conducted on 16.03.2017.

Mr. G.M.Rajendran, Vice President, SITAA, delivered the lecture.

He coined his lecture in such a way that staff members attended the programme would be equipped with confidence and they could face the challenges in the present scenario. He guided the staff members for marching towards a positive personality. He implied the strategies to improve self motivation and managerial skills. He emphasized the employee involvement for the growth of any Organization which results in productivity improvement and standard of living. He informed that Time is the only the common Asset irrespective of the status and gender of the people and it should be managed effectively to harvest more benefits for the development of mankind. He exhorted the benefits of team work for achieving the goals of the different sectors. Mr. N.Raju, Head of Department, Mechanical Engineering welcomed the gathering and Mr. T.Muthamizhselvam CIICP Manager proposed vote of thanks. Mr. S.G.Kathiravan Lecturer (SG) Department of Electrical and Electronics Engineering said that the staff members were enthralled with the Lecture, during his feedback. Dr. S.Sudharssanam, Hon. Secretary and Mr. S.Sangappillai, Principal graced the programme.

Here are the five most frequently expressed sentiments of the alumni, now spread across the world:

**Overcoming fear of failure:** Each one felt humility.....

**Acquiring self-confidence:** How does a diffident youngster acquire self-confidence...?

**Making friends:** This point is mentioned most often. The choice of hostel mates was not under our control ...

**Importance of relationships:** The image of tech students is that they are more analytical and logical than those in the humanities.....

**Giving back:** Most likely it was a lesson learnt not at IIT....

As revealed in a TED talk, an alumnus may or may not become well-known, but the successful ones are distinguished by what they give back -money, time or help.

The above article published in Times Of India dated 26<sup>th</sup> March 2017. You can read in full at the following link
