Office Bearers

President	P.A.Balasubramanian
Vice President	G.M.Rajendran
Secretary	M.Duraivel
Joint Secretary	G.Devarajulu
Joint Secretary	P.Jayachandran
Ex Officio Member	Dr.K.Vijaykumar, Principal I/C, SIT

From the President's Desk:

Dear SITians,

Wish one and all of SIT Family a VERY HAPPY DEEPAVALI and a MERRY CHRISTMAS.

Exactly five years ago, we started releasing the SITAAVOICE with pride from SITAA and today we are releasing the second issue of sixth year.

I am happy to inform you that SIT celebrated 129<sup>th</sup> Birthday of Sri. V.SESHASAYEE, Founder on 14<sup>th</sup> AUG 2019 followed by AGM of SITAA in the afternoon of that day. The details of the above functions and also the other activities are given in subsequent pages of this release.

I feel very happy to share with you all that SIT has been awarded with "Best Polytechnic College in Tamil Nadu Industry Interface 2019" by CEGR, New Delhi (Centre for Education Growth and Research) on 23<sup>rd</sup> August 2019, at Pune.

Recently M/s. Ford Motors Limited donated 130 CPUs DELL make with high end configuration to SIT. To provide related LED Monitors along with key boards, Sri.R.Manathan, a distinguished Alumnus of SIT of 1965 Mechanical batch and currently Chairman, Manatec Group of Companies, Pondicherry, donated 100 nos of monitors and key boards. We installed the same in our Computer labs in Civil, Computer departments. SIT acknowledges with many thanks and gratitude to Ford Motors Limited and Manatec Group of Companies for their generous donations.

100<sup>th</sup> birth anniversary of our former beloved Principal Sri.G.Sundaram falls on 22-01-2020. Related to this occasion, SITAA wishes to release a booklet, highlighting his noble and incomparable service to SIT and in particular to the students of SIT. We welcome you, to contribute any important information with you, on the lines of the above. The details can be sent to Sri.G.M.Rajendran whose email id: [gmr.sit@gmail.com](mailto:gmr.sit@gmail.com)

We hope to release the booklet during the Annual day celebrations slated for 28<sup>th</sup> January 2020. I request you to send the details at the earliest.

I am happy to inform you that more numbers of our Alumni are coming forward to enhance the Infrastructural facilities in SIT and SIT Hostel. I appeal to all our Alumni to come forward to contribute their mighty in carrying out any one of the development activities in our SIT Campus.

SIT Alumni of 1981 batch has initiated the work of 'Construction of an open air auditorium in SIT Campus. They propose to carry out the main work of the construction of the Stage portion first followed by installation of bust size statues of our former Principals Sri.G.Sundaram and Sri.Ananatha Narasimhachar on the sides of stage. The total estimate for the completion of the entire work is expected to be around Rs 25 lakhs and so far they have collected around Rs. 8 lakhs from their batch mates and they are earnestly trying to get some more money.

I appeal to all our Alumni to contribute liberally, so that the work can be accelerated and project can be completed at the earliest. I hope to have a positive response from our Alumni, in this regard.

Wishing you and all your family members, all the best,

P.A.Balasubramanian  
President, SITAA

## Seminar on “MEP Software”

Mechanical Engineering Students Association, SIT (MESA) arranged a Seminar class about MEP (Mechanical, Electrical, and Plumbing) software, conducted by A+

plus NDT institution for mechanical final year students (Aided & Self Finance) to learn about it, on 26<sup>th</sup> & 27<sup>th</sup> June, 2019

Sri.B.Lawrence from A-Plus NDT Institute introduced their institution and courses they teach. He explained the Classification of mechanical software, (Drafting, designing, analyzing) by showing flow chart and its uses.

Sri.S.Siva Chandran briefed about MEP Software and its special features, concepts of HVAC (Heating ventilation air conditioning), thermodynamics related to AC (Air Conditioners). He explained intricacies of Air conditioning system, standards used, types of AC, its applications, safety precautions, fire extinguishers and its types, working principle with video and animation.

Sri.M.Gopinath another faculty demonstrated live designing of bolt using CREO software followed by designing, assembling of engine and animation using Solid works software. He briefed the analysis of a leaf spring using ANSYS software and manufacturing of chain sprocket using master cam software.

After every process, the staffs asked questions to the students and they also answered, if not they explain the topic again. Seminar class is ended with positive feedback from students.

### **Recent Trends in IT - Lecture**

Sri.Prakash Devaraj, Principal Architect, Cognizant Technologies, USA delivered lecture on Recent Trends in IT. Department of Computer Engineering arranged this special lecture on 03-07-2019

### **Software Testing – Seminar**

Computer department organized the seminar

Sri.S.Anand, Senior Software Testing Consultant, USA conducted the seminar on Software testing on 18<sup>th</sup> July 2019, at Audio Visual Hall at SIT

### **Hand-on Training in ROBOTICS :**

Department of Computer Engineering, SIT, Trichy organized a Hands-on Training in ROBOTICS held at Audio Visual Room, SIT on 10<sup>th</sup> July, 2019. All the second & third year students along with faculty have participated in this training and also all faculty members of Computer Engineering Department.

Sri. C. Manikandan, IT Support Executive, SYSTECH Academy, Trichy was the Resource Person citing the Robotics activities and encourage all the students to become an active element in the nation building processes through this robotics setup initiative and project based learning in embedded systems and robotics with Humanoid ROBOT

The event was held to make students aware about the Robotics and the benefits of carrier in it. He was informed about robotics field. These technologies are used to develop machines that can substitute for humans and replicate human actions. Robots can be used in any situation and for any purpose, but today many are used in dangerous environments (including bomb detection and de-activation), manufacturing processes, or where humans cannot survive. Information about the robotics in much greater detail was passed on to students. This helped them understand more deeply what robotics is and how they can shape their studies to form a carrier in the same.

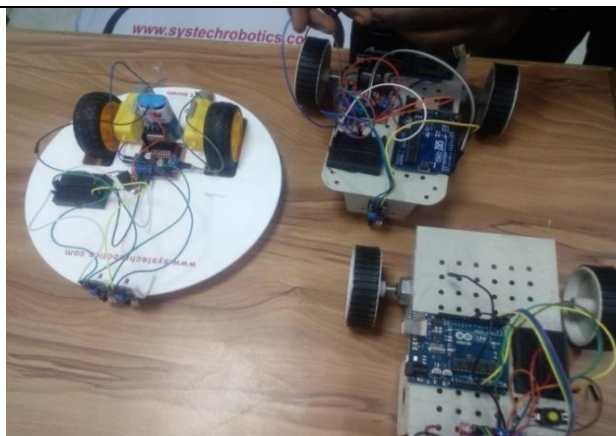

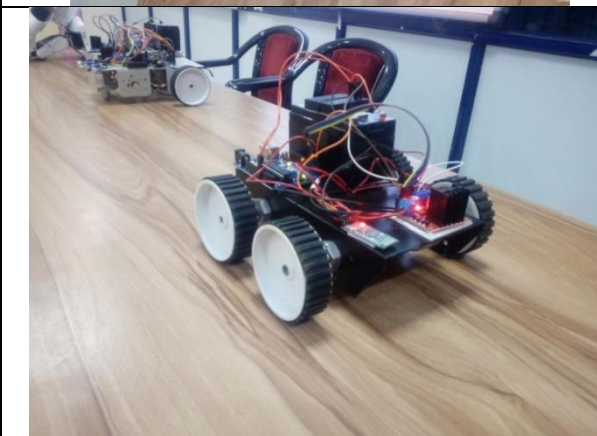

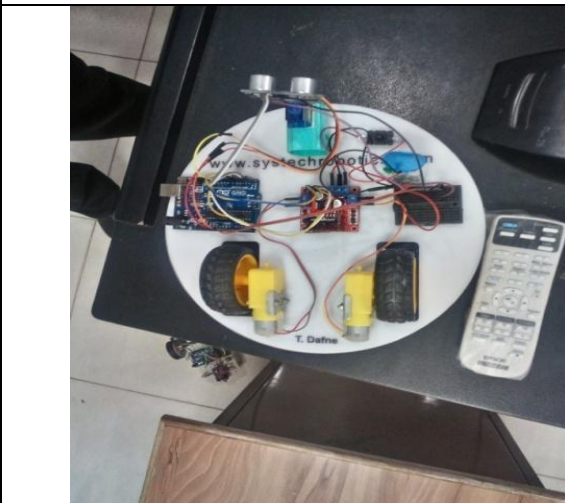

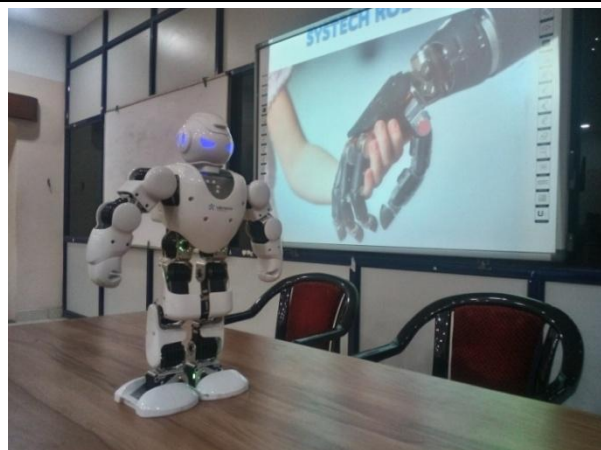

The training also covers introduction to the Arduino board and its types with supporting devices such as sensors, motors, breadboard with connecting cables along with microcontroller and programming environment, simple motion control using I/O ports, robot velocity control using pulse width modulation, sensor

interfacing, interrupt programming, closed loop position control of robot using position encoders.

Students will gain an appreciation of the effort needed in construction and have a sense of achievement with something they have made.

Students are encouraged to do assembly and modeling of Robots.

This is a creative approach to the learning of science through real life exposure, mechanical innovation and simultaneously promotes to do hands on projects on Robots.

He Further he elaborated the procedure of conducting transformer tests and conducted some activities like solving problems on transformer.

He explained about the thermal power station equipment and its maintenance at Mettur along with sharing of his work experience on maintenance at Thermal power station, Mettur. He made a power point presentation on maintenance work being carried out at Mettur Thermal Power Plant. He recommended to use TNEB website (Electrical Engineering portal) to get some general information about Electrical Engg.

Students Selvan Shakil Ahmed and Selvi. Vaishali of III year D.E.E.E. gave their feedback regarding the lecture programme. Faculty members of E.E.E. dept. also Participated in the event.

**OBSERVATION OF MEMORIAL DAY – Sri.G.SUNDARAM  
22-01-1919 to 04-09-2005**

On 04<sup>th</sup> Sep 2019, Faculty, Staff and students of SIT paid respects to our Former Principal in a function arranged

**Kind Attention**

We request all alumni to be in touch with your batch mates, seniors, juniors, SIT and SITAA. This will make us to rejoice our memories. SIT and SITAA need your continued support for enhancing the operations of SIT and its growth. We jointly will make all our efforts to improve the quality of the students, with good technical knowledge, specialized skills, communication skills, practical applications to meet the industry requirement and society. Therefore SITAA request all alumni to actively participate in Founder's day, Alumni day, AGM of SITAA scheduled in due course. Forthcoming annual day will be on 28<sup>th</sup> January 2020. Being 22-01-2020, is 100<sup>th</sup> birth anniversary completion of our former Principal Sri.G.SUNDARAM. We wish to release a memoir with salient characteristics of Sri.G.SUNDARAM during January 2020. All alumni / faculty / staff who had association with our Sri.G.SUNDARAM may kindly send the information / details / photos/ articles etc to Sri.G.M.Rajendran, Vice President, SITAA in his email id [gmr.sit@gmail.com](mailto:gmr.sit@gmail.com)

Dear SITians,

I am glad having presented the above details of various events held at SIT, though I brought limited as e-magazine will become voluminous. this issue of SITAA VOICE of this quarter of 2019-20 after celebrations of 129<sup>th</sup> Founder's day on 14-08-2019. This quarter is with full of celebrations viz. Papers' day, Founder's day, SITAA AGM, Teacher's day, Engineers day, etc. I express my sincere thanks to Sri.P.A.Balasubramanian, for his valuable guidance, Dr.K.Vijaykumar, Principal I/C, SIT for his team's support, all EC Members and Alumni for their support in bringing out SITAA VOICE. To know the various activities of SIT and SITAA,

Next remarkable event of SIT is its Annual day falls on 28-01-2020, day on which SITAA wish to honor Sri.G.Sundaram, Former Principal on his birth centenary. All alumni and well wishers of SIT are requested to participate in this happy occasion.

You're SITian
