Banyan10 Prop Root.2 Dated 30th Sep' 2023

“Let Noble thoughts come to us from every side”
Wish you & your family Happy and safe Deepavali

President	Balasubramanian.P.A.
Vice President	Rajendran.G.M.
Secretary	Palanisamy.A.
Joint Secretary	Raju.N
Joint Secretary	Devarajulu.G.
Ex Officio Member	Dr.Vijayakumar.K., Principal I/C, SIT

From the President's Desk:

Dear SITians,

I wish one and all of SIT Family best of health, happiness and cheer.

I would like to share the happy news of involvement of Sri.G.Kamesh Guru, our Alumnus in the recently launched Chandrayan-3 by Indian Space Research Organisation (ISRO). Mr. G.KAMESH GURU, did DME course in our institution in the years 2005-2008. He qualified with AMIE (Mech), IEI,Kolkatta, MS (Non-destructive Testing) from NIT-Trichy. He has been with ISRO for more than 12 years and was a part of the mission as a Scientist-Engineer SE, in the Launch vehicle and satellite propulsion systems of the recently launched Chandrayan-3 mission. He has also been a Scientist in Chandrayan -2 and ADHITHYA Satellite projects taken up by ISRO. On behalf of one and all in SIT and on my own behalf, I congratulate KAMESH GURU for all his achievement. We send our good wishes to him to take up more and more important positions in the future programs of ISRO.

Coming back to SIT, I would like to share the progress of the construction work of our open air Auditorium. The structure is completed in all respects and gives a VERY GOOD majestic appearance. The cost of construction of the Auditorium was partly met with contribution from our Alumni, allocation of funds from SITAA and from the management of SIT, i.e. Seshasayee Educational Society (SES). But still there is a gap of funds spent and funds received.

The work that is to be done to make the entire Auditorium fully functional include replacement of paver block flooring with proper flooring, construction of side walls, providing doors, windows, providing electrical items and other finishing works. All these works may cost around Rs.15 Lakhs.

I once again appeal to our Alumni to generously contribute so that all the related works can be completed and the fully finished Auditorium can be handed over to the management of SIT.

Since the balance of works in Auditorium construction is to be completed in a very short time, I request our Alumni to send their contributions at the earliest. I feel happy to note the numerous positive responses against my previous appeals, from several alumni and I wish to thank each one of them.

The details of the events & other activities during this quarter are presented in the subsequent pages of this issue. The Academic work goes on well, with due care taken by Sri. G.M. Rajendran, Hon. Secretary, (SES), Dr. K. Vijayakumar, Principal-I/C, Dr.V.G. Ravindhren, Vice Principal and their team. I appeal to all students of SIT to see the involvement of our Alumnus in all the programs of ISRO. I request each one of the students to utilize the best facilities available in our Institution and to shape themselves as promising professionals and leaders in their chosen fields.

Wishing you all the best,

P.A.Balasubramanian

President SITAA, Former Faculty Member & Alumnus, 1963

Dated: 30th Sep, 2023.

My dear SITians,

I wish you and your family a Happy Dussera and Deepavali.

We could achieve all witnessing enhancements only due to the motivation, support by Sri.VKS, Chairman, SES, Sri.N.Gopalaratnam, Chairman SPB, Members of SES and the initiatives of Sri.PAB, our teacher, President, EC Members of SITAA and several alumni.

Annual General Body meeting of SITAA and Seshasayee Educational Society were held and the activities were briefed. Executive Committee appreciated the active involvement of SITAA, Alumni and thanked.

My request that you all must visit our institution to witness the enhancement carried out so far, extend your support to enhance further. I and on behalf of SIT & SITAA my hearty congratulations to Sri.G.Kamesh Guru, Scientist-Engineer-SE, ISRO, our alumnus of 2008-Mechanical batch, is a part of Chandrayan-3 mission of soft landing in the south pole of the moon.

Please go through various activities of SIT & SITAA charted and furnish your feedback. I sincerely thank all alumni, well wishers, faculty, and staff for their support.

With Regards

G M Rajendran, Hon Secretary SIT & Vice President, SITAA

PROUD MOMENT BEING INDIANS

Date: 23-08-2023 at 18.30 Hrs – India the First Country by achieving an Historical event - **CHANDRAYAN – 3 SOFT LANDING IN SOUTH POLE OF MOON**

Sri.G. Kamesh Guru, Mechanical batch 2005-2008, from Seshasayee Institute of Technology, is part of CHANDRAYAN-3 successful soft landing mission. He is currently working as a Scientist/Engineer SE in Non destructive Testing in

ISRO. He is qualified with AMIE(Mechanical Engineering),Kolkata and completed MS(Non Destructive Testing)from NIT, Trichy. He expressed that the strong foundation in the subjects like Fluid Mechanics and Fluid Power, Strength of Materials taught by our teachers, gave him thrust to raise to this occasion.

SIT & SITAA congratulate his dedicated work in this project and proud to have such alumni.

Patronage by Sri Ayyappa Seva Sangam, Tiruchirapalli

Tiruchirapalli Sri Ayyappa Seva Sangam handed over the cheque for Rs.1,52,000 towards scholarship to 19 SIT Students for the year 2023-2024 on 07-08-2023

Captain. Dr.K.Vijayakumar, Principal ic - Lt.Col. Ajay Kumar, Officer Commanding 3(TN) Camps Tech Coy NCC Tiruchirapalli approved our Principal ic **Capt. K.Vijayakumar's service in NCC till 14th October 2025.** Hearty Congratulations to Dr.Vijaykumar. Best wishes for his services to territorial army.

Sri.V.Seshasayee – 133rd Birth anniversary – Celebrations on 14-08-2023

V.SESHASAYEE

(14-08-1890 to 19-10-1958)

Seshasayee Institute of Technology celebrated 133rd Birth anniversary of its Founder (Late) Thiru. V. Seshasayee on 14-08-2023.

Sri V.G.Ravindhren, Vice Principal welcomed the gathering. Sri.G.M.Rajendran, Hon Secretary, SIT presided over the function. During his presidential address, he highlighted the achievements of the founder of SIT, Sri.V.Seshasayee. He shared the talents of the founder had,when he founded various industrial organisation in the pre independence era, followed by starting first technical institution, an Educational monument SIT after independence. He highlighted the contribution and support of Alumnae for the construction the GS-ANC auditorium.

Dr.K.Vijaykumar, Principal-ic, SIT, emphasized the students to take Sri. V. Seshasayee, our founder, a multi faceted personality as a role model. The founder's technical knowledge, great vision towards the development and enhancement of society has made it possible to start several industries required for electricity production and transmission.

Sri. M.Senthamil Selvan, Chief Executive Officer, HAPBCO LLC, Muscat, Oman, Director, Hajee.A.P.Bava Kenya Ltd. and Chief Guest of the function delivered the founder's day address. During his address, he shared, how SIT helped him to reach the position as CEO in a multinational company. He advised the students to follow three rules in life (i) Be organised (ii) Learn daily (iii) Give importance to personal hygiene. He emphasized the importance of learning and positive thinking with quotes from Thirukkural which was easily understandable by students.

Sri.S.Ramaseshan, Engineer (Retd) State & Federal Road Projects, USA and Guest of Honor shared his experience in SIT and the importance of work satisfaction. He encouraged the students to reach the goal by highlighting his experience as an engineer and team leader to complete the road projects USA.

On behalf of SIT, he conferred "**S.I.T RATNA AWARD**" to **Sri. M.Senthamil Selvan**, Chief Executive Officer, HAPBCO LLC, Muscat, Oman for his achievements in professional career. The Certificate of Honor was presented by Sri.S.Ramaseshan, Guest of Honor, Sri.N.Venkatramani, President (Emeritus), SITAA and Sri.K.Parameshwaran SIT Alumni of 1958 LCE. Secretary, President, former president, SITAA, Alumnae and former vice Principal Sri N.Raju felicitated by his motivational speech. Dr.R.Usharani, faculty of ICE thanked the galaxy of SIT Alumni, staff members and students.

Chief Guest & SIT Ratna Awardee: Sri.Senthamil Selvan Murugesan passed Diploma in Mechanical Engineering in the year, 1983, from SIT, Tiruchirapalli, qualified with A.M.I.E. from The Institution of Engineers, Kolkata and M.S. (Manufacturing Management) from BITS, Pilani. He started his career from SIMCO Engineering Limited, Trichy, India as Government Act – Apprentice from Jun'84-Aug'84, with unstinted hard work, he is holding the present position Functional Director of Hajee A.P.Bava & Company Kenya Ltd. and Chief Executive Officer of

HAPBCO LLC, Oman. He is heading the Operations, responsible for market development in Africa & Oman, a VISIONARY SENIOR MANAGEMENT PROFESSIONAL in HAPBCO LLC., Oman.

With the strong education foundation from SIT and extensive exposure in several manufacturing organisations in India and overseas paved the way to become Chief Executive Officer, HAPBCO LLC Oman, employed more than 10000. Each moment was pride in his professional career as he always witnessed climbing ladder in each of his positions and reached the top. He supports SIT and SITAA extensively since last 10 years. As recognition of his splendid professional achievements, SITAA is proud to confer on Sri Senthamil Selvan Murugesan the award of **SIT RATNA** and presented the **Certificate of Honor** on 14th August 2023, on the 133rd Founder's day of SIT.

Tenth Annual General Body Meeting of SITAA held on 14-08-2023

Sri.P.A.Balasubramanian, President, SITAA could not visit due to his health conditions and requested Sri.G.M.Rajendran,Vice President, SITAA to chair the meeting. Sri.G.M.Rajendran chaired the meeting. Sri.A.Palanisamy, Secretary welcomed the gathering.

SITAA Executive Committee meeting held at 14.30 hrs on 14-08-2023 at Audio Visual room followed by Annual General Body meeting. I would like to register that no of participants was meager. I sincerely request all alumni to attend the AGM positively in future.

All activities towards enhancement of our institution were briefed with a power point presentation. It was registered in the AGM that so far around Rs.220 lakhs have been spent to our institution contributed by several Alumni, SITAA and Faculty of SIT. So far around 4100 alumni have enrolled with the life membership of SITAA. AGM resolved to extend the best possible support to SIT to achieve the best results and enhancement.

AGM ended with vote of thanks by Sri.Palanisamy, Secretary.

Institution applied for 31 students, out of which Govt. sanctioned seventeen students.

Awareness Programme on Entrepreneurship & Innovation:

On 09-08-2023 our EDC Hub organised an Awareness Programme on Entrepreneurship & Innovation for our Students. 120 Students participated. Sri.P.Selvakumar Hub Coordinator of Central Zone briefed the students

Our students Excel

Carnival for Special children organised by the Trichy District Rotary Club on 15-07-2023. Our Students from NSS, NCC and YRC volunteered their services at Awareness Program for Special Children who are entitled for happy living. Trichy District Rotary club applauded our Students by addressing the gathering that they extended excellent services to the children. Hearty congratulations to the faculty, students of SIT for the support for a human cause which is priceless. All these children were offered lunch at SIT along with the gifts as our affection.

Our students Excel

Hearty Congratulations to SIT Students

Our Fine arts team of students won several prizes, medals, trophies and cash awards in the Inter College Competitions conducted by Nehru Yuva Kendra.

IPAA Trichy Division Hockey tournament held at Kongunadu polytechnic college Thottiyam today.

Our college hockey team secured Runner place in the tournament.

Special congrats to our team manager Sri. Parthasarathy (Sports assistant) for coordinating.

IPAA Trichy division Table Tennis tournament held at MIET polytechnic college Trichy.

Our college table tennis team got Winner place in the tournament.

IPAA Trichy division Carrom tournament held at MIET polytechnic college Trichy.

Our college Carrom team got Runner place in the tournament

SIT & SITAA congratulate all the winners, the team and the coordinators to bring the laurels to SIT.

Our students Excel

Congratulations to the sportsmen. Special mention on our Sports assistant Sri.Parthasarathy, DME holder interested in sports took enormous efforts to coach and accompany our team.

Also, thank our former Physical Director Sri.Rajesh for his guidance and motivation to our students.

Memorandum of Understanding with Tamil Nadu Newsprint Limited, Pugalur on 25-08-2023

Dr.K.Vijaykumar, Principal ic and Sri.Sinthanaiselvan, HOD ic, Paper Technology department have signed the MOU with TNPL for having Industrial tie up for our students being trained at their mills for six months during the study period.

TNPL extend their support to SIT. SIT thank TNPL for their support.

Industrial Visit - NLC India Limited (Formerly Neyveli Lignite Corporation Limited)

On 26-07-2023, 40 students final year Mechanical branch led by Dr.J.Charles Franklin and his team Dr.S.Murugan, Sri.M.Palanisamy and Sri.S.Rajamanickam.

Students were briefed about the production of 30 million tons of lignite from open cast mines and its usage for pithead thermal power stations of 3640 MW installed capacity to generate electricity. Company was started with the Russian Collaboration. Its joint venture has a 1000 MW thermal power station using lignite.

All students witnessed the coal washers. Public Relations Office (PRO), NLC allotted a guide, explained the history, evolution of mines, construction of thermal power plant having several equipment viz. lignite pulverisers, cooling towers, huge ducts, tall chimney, high pressure boilers, turbines, generators, etc. PRO explained the circuit of water, steam, superheated steam, lignite, air, flue gases, induced draft

fans, forced draft fans, electrostatic precipitators, condensers, High pressure heaters etc.

Students witnessed Jawaharlal Nehru Museum where a 150-million-year-old Branch of tree is kept as sediment due to the natural decomposition and which is extracted by NLC. The whole branch of the tree has been dipped into formalin for preservation. Further they witnessed all the ancient things which were extracted by mining, including diamond and some kinds of fossil fuel of different shapes due to the natural decomposition were found below the ground this were extracted by mining and it is set to the visitor's view.

Students visited the Mine-1, where they witnessed the whole extraction process of lignite from a View Point. Keeping safety first in mind, students were allowed upto a point of transportation benches. Students witnessed the bucket machinery installed in the year 1980 at the cost Rs.150 crores. It was said that the resources getting exhausted as there were 6 machines excavating lignite since last 40 years. NLC find it difficult in extraction of lignite very difficult. Hence the first mine was abandoned now. NLC is making a new mine where they expect the pure lignite which is easy to filter and use for the further developments. New mine is under progress.

Afforestation Park Mine-1

NLC created a nice eco friendly park using the excavated sand from the mine. They grow innovative and decorative plants having beautiful flowers have excellent atmosphere. They have formed a deer park where around 160 deers are roaming happily and freely. Students had a nice experience by visiting an open mine industry, thermal power station with lignite as fuel and had the first hand industrial knowledge and how the eco environment is maintained where more than 7000 employees are working.

INDUSTRIAL VISIT –METTUR THERMAL POWER STATION

On 30-08-2023, 49 students of second year mechanical branch visited Mettur Thermal Power station. The Mettur Thermal Power Station, having coal fired high pressure boiler with accessories, High pressure steam turbines, Generators, etc. The power station located in [Thoppur-Mettur Dam-Bhavani-Erode Rd, Mettur) Salem district of Tamil Nadu. It is operated by Tamil Nadu Generation and Distribution Corporation Limited. The power station was commissioned during various periods from 1987 and this is the first inland thermal Power Station of TANGEDCO. Dr.J. Charles Franklin Lecturer, Dr.S.Murugan, Sri.S.Rajamanickam of Mechanical department coordinated the industrial visit.

Capacity of Power Generation

The first stage of this Power plant, contains the first and second units with a capacity of 210 MW worth of Rs. 348.30 Crores. Then the second stage, contains the third and fourth units with the capacity of 210MW at the cost of Rs 351.76 Crores.

Sources of Raw Materials

In this power plant, all the four units are coal dependant. This Mettur power station receives the coal stock from the states of North India. The report from the official sources says that need about 20,000 tons for each day, to operate both plants. This power plant receives the coal from the eastern coal fields limited of Orissa.

Achievements :

The MTPS- I is one of the IS/ISO 9001:2008 certified Organization. For the fly Ash Utilization, the MTPS-I had won the second prize from the Ministry of Power, Department of Science & Technology and the Ministry of Environment in 2005. Also this plant recieved a Commendation certificate, from the Ministry of Power in 2015, as an appreciation for the Energy Conservation.

For the promotion of Safety & Environment, this Plant won the Appreciation award from the National Safety Council and the Tamilnadu Government in 2014. Then, the Mettur Thermal Power station got the first position in the TANGEDCO for making the PLF achievement for the continuous four years, that is from the 2013-14 to 2016-17.

This station is the only Power plant to achieve the Annual PLF with 90% for nearly six times. In the March 2017, the new Landmark achieved in the special Oil consumption which was “Zero” for the power plant.

Our Students at Mettur Thermal Power Station

SIT Students in Voluntary Service to the Society

Aravind Eye Hospital & Sri Jai Trust, Tiruverumbur :

Sri.Jai Sai Trust, Tiruverumbur who support SIT deserving students by way of scholarships arranged a free medical camp. This is their 15th free check-up eye camp went on well. There are 360 outpatients out of which 207 were taken to Madurai Aravind eye hospital for Cataract operations by 3 buses. Everything (transport, food, accommodation , operation, medicine, cooling & power glasses) are free for patients. Our 12 SIT students volunteered their excellent service. Their performances were appreciated by the people & all Trustees. It gives an appreciable image in the society for the SIT Students. SIT & SITAA congratulate their service. of Sri Jai Sai Trust conveyed their thankfulness toSIT.

Industrial Visit- Civil – Final year :

Final Year Civil Engineering Students visited Sewage Treatment Plant and Alternative Building Materials at Periyar Maniammai University, Thanjavur

Science And Technology Capacity Building for Industrial Needs :

Tamilnadu State Council For Science and Technology”(TNSCST), has provided an excellent opportunity for the students to educate the industrial needs apart from their studies. This initiative was book in order to feed students to get practical knowledge and industrial surveillance and even their life skills in order to improve their career. And this opportunity of conducting the science

and technology capacity building for industrial needs program was entrusted to Imayam Polytechnic College Thuraiyur. This program led for three days for non-circuit branches which is from 29th of August to 31st of August. Students got an immense knowledge towards the aim and also being an attractive session, they were enthusiastic to involve in many activities led by the team Mr. G.RAAJAA Founder of NIKHIL INNOVATIVE MANAGEMENT, Chennai and Mrs. Vijayashalini. All the three days were clearly organized by the team, and the lectures was really outstanding and realistic. On the first day, They briefed about Communication Skills, Goal Setting and Leadership Qualities, Personality Development, Expectations of Industries, Language's Significance, Time Management, Entrepreneurship Development, Interview Approach. All the students attended this program were awarded with a certificate. At the end of the work shop we have Valedictory function, and Sukrish Prabakar of Mechanical Department, SIT Trichy, was embraced with a shawl for his great participation in the seminar and also for giving an excellent feedback on the whole program. On behalf of the students, we thank all the staff from our college and Imayam Polytechnic College for arranging this important and informative seminar and encouraging students to climb more heights.

REUNION 1974 MECHANICAL ALUMNI, SIT HELD ON 15-07-2023

Remembering Sri.GS

Rememberance day of Sri.G.Sundaram
Former Principal, SIT

04-09-2023

SIT Alumni, Faculty, staff and students
paid tributes to Sri.GS on his memorial
day by observing two minutes silence.

Birth day of Sri.ANC

Birth day of Sri.Ananantha
Narasimhachar, Former Principal, SIT
13-09-2023.

SIT Alumni, faculty, staff and students
paid respects to Sri.ANC on his birthday.
All praised the traits of Sri.ANC and his
outstanding support to the family
members to witness the students as
good citizens .

Annual General Body Meeting of Seshasayee Educational Society
held at the Office of Seshasayee Papers and Boards Limited, Chennai on
26-09-2023. Sri.V.K.Seshasayee, President, SES chaired the meeting.
Sri.N.Gopalaratnam, Vice President, members participated the AGM.
AGM resolved several resolutions towards enhancement of SIT and
recorded its appreciation to Dr.S.Sudharssanam,
Sri.P.A.Balasubramanian, President SITAA, and SITAA for their
continuous support to SIT. AGM ended with the vote of thanks by
Sri.G.M.Rajendran, Secretary,SES.

SIT & SITAA wholeheartedly thank the donors for their munificence in supporting SIT & SITAA.

Dr.S.Sudharssanam, Alumnus 1964,Civil, Former Hon.Secretary, SIT donated his one month pension. This is his **tenth successive installment** donation (one month pension) as he committed to donate. Alumni, 1983 Mechanical batch collectively donated Rs.2.35 lakhs – details are as below:

List of Donors to SIT (From 1-7-2023 to 30-09-2023)

SNo	Name of the Alumni			Amount in Rs.

Reunion – Ruby Jubilee – 1983 Mechanical SIT Alumni

1983 Mechanical SIT Alumni Reunion Ruby Jubilee on 12-08-2023

24 Alumni belonging to 1983 batch met at SIT and celebrated their Golden jubilee. Starting with paying homage to Sri.VS, Sri.GS and Sri.ANC at respective places. All of them participated with their family. Each one of the group shared their nostalgic memories associated with this institution, Sri.ANC, Former Principal. Mr.K.Nagarajan, Coordinator took extra ordinary efforts to coordinate his batch mates 1983. Those were very eager and met after several years in SIT. Specific mention that this batch contributed Rs.4.30 lakhs for prizes in the year 2021, Rs.3 lakhs for construction of auditorium in the year 2022. In addition during the Reunion celebration they donated Rs.2.35 lakhs to SIT. SIT & SITAA wholeheartedly thank the alumni and wish them to reach further heights in their professional and personal life.

Obituary

Mr.Mohan, 1981, Civil, Alumnus SIT passed away on 18-08-2023. He was a strong supporter of SITAA and one of the few key alumni in construction of GSANC Auditorium

SIT & SITAA share the grief of the family members.

An appeal

Dear Alumni,

Greetings to all. You are witnessing several enhancement projects in SIT since last 9 years. Alumni who regularly visit SIT since long, members of SITAA are regularly supporting SIT & SITAA to enhance SIT's operations and the student community in several fronts i.e. good library, laboratories, dining hall, hostel, environment enhancement, extending support financially to the deserving students for their tuition fees, hostel fees, examination fees and sometimes medical expenses. They continue to contribute their best to the institution in some way, like donating to Corpus fund, arranging materials, contractors for construction of laboratories, other infra structure and or donating to GSANC Memorial Education fund to award the scholarships to the deserving students. The contribution to Seshasayee Educational Society, (the managing body of SIT) is exempted from IT under 80-G. We kindly request you to donate to any of these funds which will enhance our operations. SIT has applied for NBA. SIT has to be evaluated by the Assessors in a month or two. The infra structure has to be renovated or installed new shortly. Your donation will strengthen SIT towards fulfillment of the social needs by giving the best technical students. The bank details are as below:
