Dated 30th September 2021

“Let Noble thoughts come to us from every side”

***Life is not about Possession;
It is about Appreciation,
New Hopes & Aspirations***

President	P.A.Balasubramanian
Vice President	G.M.Rajendran
Secretary	P.Srinivasan
Joint Secretary	P.Jayachandran
Joint Secretary	G.Devarajulu
Ex Officio Member	Dr.K.Vijaykumar, Principal I/C, SIT

Dated: 30th September, 2021

From the President's Desk:

Dear SITians,

I wish one and all of SIT Family a HAPPY SARASWATHI & AYUDHA POOJA CELEBRATIONS, HAPPY MILADI NABI, SAFE & HAPPY DEEPAVALI, HAPPY CHRISTMAS ..

I would like to share the progress of the construction work of our open air Auditorium.

The Structure is completed in all respects and finishing works like plastering of walls, fixing up of toilet seats, plumbing works, construction of septic tank and providing all electrical items are going on now.

All the above listed works will be completed in one or two month's time.

Being in the finishing stage of this project, a large amount of funds is urgently required.

I feel happy to note the numerous positive responses against my appeal, from several alumni and I wish to thank each alumnus from the bottom of my heart for their gratitude and contribution to the construction of the Auditorium.

Still I expect a good contribution from 1977 batch Alumni and from Alumni employed in L&T and other concerns.

The details of the events & other activities during this quarter are presented in the subsequent pages of this issue. Once again, I appeal to all our Alumni to come forward to contribute their might for the construction of the auditorium in our SIT Campus, so that the work can be accelerated and project can be completed at the earliest.

The Academic work for this year has started just now, as per the directives of the GOVERNMENT OF TAMILNADU and DIRECTORATE OF TECHNICAL EDUCATION, CHENNAI. It goes on well, with due care taken by Sri. G.M. Rajendran, Hon. Secretary, SESHASAYEE EDUCATIONAL SOCIETY(SES), Dr.K.Vijayakumar, Principal-I/C, Dr.V.G.Ravindhren, Vice Principal and their team. I appeal to all students of SIT to utilize the best facilities available in our Institution and to shape themselves as promising professionals and leaders in their chosen fields.

The list of Donors for the Auditorium project received during the previous and present quarters are highlighted in the subsequent pages.

Wishing you all the best,

P.A.Balasubramanian
President SITAA, Former Faculty Member & Alumni 1963.

Dear SITians,

On 14th august 2021, SIT celebrated its Founder's day in a humble manner. As all of you aware that last 18 months the entire world got stuck in its advancement due to unforeseen crisis, stumbled the growth. Thanks to our scientists, technologists for their innovation of vaccine which made the mankind were having started breathing at least, though we couldn't achieve the best.

As per the stipulated guidelines of TN Govt., our institution started functioning from middle September 2021 and all students attending the classes at charted out schedule adhering to precautionary guidelines.

With all the odds, SIT could touch the admissions mark of around 219 students in the first year and 70 second year lateral entry. Around 50% of the outgoing students got employment from various organisations which motivate us to enhance our operations. As alumni, all of you know that our paper technology department was as old as 30 years, SITAA arranged construction of new lab building for which SPB contributed all equipment and instruments so that the Unique Paper Technology department students will have training in our state of art lab first of its kind.

Further all alumni have contributed their might to construct an open air auditorium towards their affection had with former principals of our institution viz. Late Sri.G.Sundaram and Late Sri.Anantha Narasimhachar. Open air auditorium construction is getting completed, pending final stage viz. flooring, painting, electrical system installation etc. for which we have to receive the funds from our well wishers cum alumni.

In spite of corona, construction of auditorium witnessed good progress in this quarter. I would like to share that several lecture programmes, review of NBA requirements are conducted through online/ webinar / zoom meetings in order to get benefitted both by faculty and students.

I present various activities of SIT & SITAA of this quarter. As of now, we scheduled to celebrate 70th annual day along with inauguration of paper technology department and GS-ANC Open air auditorium in January 2022. All of you will be informed suitably at right time for your presence.

Kindly go through this issue and furnish your feedback.

With Regards

G M Rajendran
Hon Secretary SIT & Vice President, SITAA

SIT Governing Council Meeting – On 8th July 2021, SIT's 102nd Governing Council meeting held through online mode. Sri.V.K.Seshasayee, Chairman, chaired the meeting. SIT ALUMNUS EXCELS IN ISRO.....

Dr.M.Manohar alumnus of SIT,1983 Mechanical started his career in Sri Rama Vilas Services Limited (A Unit of Amalgamations Group) thro' Campus selection, immediately on course completion followed by his appointment as Technical Assistant 'B' in Vikram Sarabhai Space Centre (Indian Space Research Organisation) Thiruvananthapuram 2nd May 1985. He qualified himself with B.Tech (Mechanical) from College of Engineering Thiruvananthapuram in 1995 followed by his M.Tech(manufacturing Science) from IIT, Madras in 2004.

He further qualified with his PhD (Machineability of Inconel -718 Alloy) from National Institute of Technology in 2013.

He is Fellow member of Institution of Engineers (India), Life member of Aeronautical Society of India, Indian Society of Aerospace Manufacturing Engineers and Indian Society for Non-destructive Testing.

He is member of National Governing Council Member – Society of Aerospace Manufacturing Engineers.

He grew with the Organisation and today holding the position of Scientist/Engineer 'SG' since 1st Jan 2017.

He is specialist and a manufacturing expert in Rocket Motor Hardware for Launch vehicles

Now, concurrently holding the functional designations of
Division Head of Rocket Motor Hardware, Special Purpose Motor Hardware required for Launch Vehicle Projects
Project Executive as Deputy Project Director, GSLV (Vehicle Structures and Motor Hardware) & S-200 Motor & Nozzle Hardware

ISRO awarded ISRO Team Excellence Award in the year 2012 for establishing world class Facility – 1 meter Hypersonic Wind Tunnel Test Facility
ISRO Team Excellence Award in the year 2017 for developing Crew Escape System Motors and Static Testing (For Human in Space Program)

Dr.Manohar, an outstanding alumnus of SIT passed out in 1983, Mechanical branch, SIT & SITAA is proud to have Dr.Manohar as our alumnus, wish him more successful in his endeavor and reach further heights in his career. He is one of the fine patrons of SIT & SITAA.

SIT ALUMNUS EXELS INTERNATIONALLY.....

Sri.A.Baskar, alumnus of SIT, 1997 EEE , qualified with BE (Electrical) at JMI, New Delhi, Member of the Institution of Engineering and Technology, UK and Chartered Engineer, IET, UK Currently Principal Engineer (HV Cable Design), Balfour Beatty LC, UK in UK.

He had wide experience since 1997 started his career as Diploma Engineer Trainee in Railway Electrification, Larsen & Toubro Limited India. His experience in Erode – Ernakulam Railway Electrification project with multidisciplinary Training which included Design, Tendering, Planning, and Installation of 25kV AC Railway Electrification system added value to his profile. He was promoted as a Field Engineer for Planning, Supervising and Installation for 25kV electrification of Shoranur - Ernakulam Line (Gr.91) – India. The works he carried include OLE Survey for designs, Planning, Invoicing, and Installation of OLE for Railway Electrifications under tight schedules was well recognized.

He was Project Manager (Electrical) – Railway Electrification, KEC International Limited. He was working in 25kV OLE system in India, Malaysia and Mark 1, Mark 3B and UK1 Series system in UK)

He headed the department of OLE Design, Jacobs CES Limited in Mumbai working for UK Network Rail projects which led to work for National Grid, United Kingdom

His work experience in overhead line and HV cabling projects in India, Malaysia pushed him to raise working in UK. He worked for UK Network rail projects, Railway electrification by L&T India along with an appreciable experience in Delhi Metro's underground ROCS Project. Currently he is in UK with commendable credentials.

SIT & SITAA is proud to have Sri.A.Baskar as our alumnus, wish him more successful in his endeavor and reach further heights in his career. He is one of the fine cohorts of SIT & SITAA

Commendable gratitude of our Alumni contributed to SES

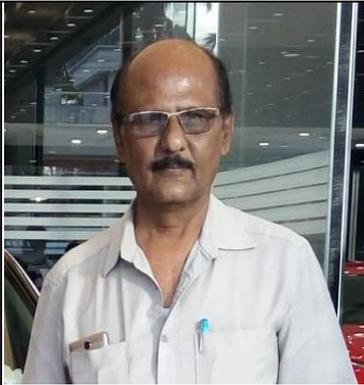

Sri.A.Baskar, alumnus 1997 Electrical branch contributed Rs. 1 lakh to SES corpus fund and requested to us to arrange payment of fees for one student to start with. He assured that he will contribute further to support SES for supporting poor students. SIT and SITAA wholeheartedly thank the alumni supporting SIT for its enhancement. SITAA contributed Rs.3 lakhs to construction of auditorium through SES building fund.

Several Alumni of different batches have contributed an amount of Rs. 16 lakhs to Building fund (SES) so far....

1981 Civil batch coordinated by Sri.A.Palanisamy, Sri.P.Shenbagaraj and Sri.G.Elangovan collected an amount of Rs. 14 lakhs approximately and spent for construction of auditorium. Their dedication and sincere efforts in arranging funds and construction of this auditorium is highly commendable. SITAA thank the coordinators.....

Upon completion of the GS-ANC Open Air Auditorium, the donors list will be published in SITAA VOICE and as well as in SITAA Website.

OBITUARY

		<p>Sri.L.Govindharajan, alumnus of SIT, Served & Retired as Vice Principal, SIT Passed away on 04-08-21</p>
<p>Sri.K.Varadarajan Lecturer, Civil SIT Retired Passed away on 30-6-21</p>	<p>Sri.Yoga Narasimman Alumnus 1977, Mechanical DGM (Retd) BHEL Trichy Passed away on 8-7-21</p>	

SIT & SITAA convey its heartfelt condolences to the bereaved family of the above alumni of SIT who made several marks in their organisations in turn society for which SIT sowed the good seeds in their minds.
